## Pledge Commitment Card

### "Giving Back To God"

Your pledge is your personal commitment to provide a set amount of financial support to the programs, ministries, and day-to-day operating costs of Christ Church. Your pledge allows us to realistically budget our expenses and ministry.

#### What is the right amount to pledge?

It is important to remember that we are only stewards of everything we have or will ever receive while here on earth. Tithing (10%) has been the traditional standard of giving in the church. As you prayerfully consider your pledge amount, God will guide you.

To help in this decision, enter your personal or entire household annual income below, then take the amount you are giving and find where you are as you grow towards Tithing and beyond. Tithing is not a law or demand on the Christian but a discipline that is developed as a grateful response to God's grace and love for us.
